I.—LAND REVENUE.

SINGAPORE.

Land in the hands of private owners in Singapore is held direct from the Crown, either by lease or grant. The terms of the leases vary. A great portion of the land on which the town stands is held on building-leases for 99 years; of these leases, 1,919 are unexpired. The terms of the leases in the country are, for the most part, 99 and 999 years. A grant in a Statutory form is now the only Crown title issued. This is prescribed by Ordinance II of 1886.

The "permits" formerly issued in anticipation of survey have all been called in and grants substituted for them. Certain Crown Reserves are held under annual licences. The quit-rent reserved in leases for lands in the country issued before October 15th, 1883, is 30 cents an acre; that on leases issued subsequent to that date varies according to advantages of soil and situation, but is in no case less than 40 cents an acre. In all leases issued since October 15th, 1883, a condition is inserted under which the rent is re-adjustable every thirty years. Since the passing of the Crown Lands Ordinance of 1886, the only instrument of title is a Statutory Grant in perpetuity subject to a minimum quit-rent of 50 cents an acre re-adjustable every thirty years.

By Ordinance I of 1901 special powers are given to the Government with regard to leases of foreshore for periods not exceeding 100 years.

The following tabular statement shows the Revenue derived in Singapore from Premia and Land Rents in the years 1903 and 1904 respectively:—

PENANG.

Land in Penang and Province Wellesley is held of the Crown, as in Singapore, by grant or lease. The conditions of tenure vary according to the policy of the Government at the time the documents were issued. In Singapore eighteen and in Penang twenty different kinds of title are in the hands of the public. Unoccupied Crown land is obtainable on Statutory Grants as in Singapore and Statutory Grants are also being substituted for Permits and Expired Leases. Alienation of foreshore is subject to Ordinance I of 1901.

The rates of rent reserved in old leases vary in different localities.

The following table gives a comparative statement of the Revenue derived from Premia and Land Rents in Penang in the years 1903 and 1904 respectively:—

MALACCA.

The tenure of land in the town of Malacca has remained unchanged since the days of Dutch rule. Possession is evidenced in many cases by documents of title in Dutch. Occupied land in the country is, in some cases, held either under grant or lease from the Crown, but for the most part according to customary tenure as defined by the Malacca Lands Ordinance. There is special legislation, Ordinance I of 1901, for alienation of foreshore.

Land is now obtainable without premium if held under customary tenure, and with premium and a moderate quit-rent if held under Statutory Grant.

The principal land revenue consists of rents on tapioca and gambier leases and of mukim assessment under customary tenure.

Appended is a comparative statement shewing the revenue collected in Malacca in 1903 and 1904 respectively :—

MENT OF REVENUE, 1903, AND REVENUE, 1904.

CAUSE OF INCREASE OR DECREASE.

a. *Increases*:—Singapore, $10,059.98; Penang, $2,522.89—increase in the Rent Roll. *Decrease*:—Malacca, $3,767.75, owing to large surrenders of titles in 1903 and 1904 without a corresponding demand for new lands.

b. *Increase*:—Malacca, $3,775.83—due to more permits issued to cut timber for Railway sleepers. *Decreases*:—Singapore, $336.32; Penang, $1,080.64.

AND WHEREAS by "The Straits Settlements Coinage Order 1903" it was among other things ordained and enacted that a Straits Settlements Dollar should be coined and be of the metal weight and fineness specified in the Schedule to that Order and that for the purpose of making the Straits Settlements dollar legal tender in the Colony the Order of 1895 should from such a day as might be fixed by the Governor of the Colony by Proclamation be read and apply as if the Schedule to the Straits Settlements Order 1903 were added to the Second Schedule of the Order of 1895.

ORDER OF HER MAJESTY THE QUEEN IN COUNCIL OF 2nd FEBRUARY, 1895.

Whereas by virtue of the Act passed in the Session of the twenty-ninth and thirtieth years of Our reign, chapter one hundred and fifteen, intituled "An Act to provide for the Government of the Straits Settlements," and of other powers enabling Us in that behalf, We have power to make laws for the peace, order, and good government of Our Colony of the Straits Settlements;

And whereas by virtue of the law repealed by this Order certain silver dollars and other silver coins, and coins of copper or mixed metal are legal tender in Our said Colony;

And Whereas it appears to Us, by the advice of Our Privy Council, that it is expedient to repeal the said law, and to make a law respecting the coins which are to be the subject of contract and to constitute legal tender in Our said Colony;

Now, therefore, We, by and with the advice of Our Privy Council, and by virtue of all powers vested in Us in that behalf, do hereby ordain and enact as follows: And the Lords Commissioners of Our Treasury, and The Most Honourable the Marquess of Ripon, K. G., one of Our Principal Secretaries of State, are to give the requisite directions herein accordingly.

1.—(1) The Straits silver dollar of the standard weight and millesimal fineness specified in the First Schedule to this Order shall be the standard coin of Our Colony of the Straits Settlements in this Order referred to as the Colony.

(2) Every contract, sale, payment, bill, note, instrument, and security for money, and every transaction, dealing, matter, and thing whatever relating to money, or involving the payment of or the liability to pay any money, shall, in the absence of express agreement to the contrary, be held to be made, executed, entered into, done, and had in the Colony, according to the standard coin of the Colony.

(3) The coins mentioned in the Second Schedule to this Order shall be treated as equal to the standard coin.

2. If, on the report of the Governor of the Colony, the Commissioners of Our Treasury and a Secretary of State from time to time declare that they consider any dollar not mentioned in the Second Schedule to this Order to be equivalent in value to the standard coin, or to any of the dollars therein mentioned, then, after the date fixed by the Governor in a proclamation stating the declaration, and setting forth in a schedule the same particulars with respect to the dollar as are set forth in the said Second Schedule, this Order shall apply as if the schedule to the proclamation were added to the Second Schedule to this Order.

3.—(1) If the Governor of the Colony at any time requests that any new subsidiary coins of less value than the dollar, whether of silver, copper, or mixed metal, be coined, and the Commissioners of Our Treasury and a Secretary of State approve such request, those new coins may be so coined under the direction of the Master of Our Mint, or at one of Our Mints in British India.

(2) Such new coins shall have either the same impressions as the coins specified in the Third Schedule to this Order (in this Order referred to as existing coins) or such other impressions as may be approved of by the Master of Our Mint and by a Secretary of State.

(3) Any such new coin may be of the same denomination as any existing subsidiary coin, or of a different denomination.

(4) Every such new coin, if of silver, shall be of the same fineness as the existing silver coins, and of a weight bearing the same proportion to the weights of those coins as the denomination of the new coin bears to the denominations of the existing coins.

(5) As regards both the existing coins and the new coins the remedy of fineness shall be three-thousandths, and the remedy of weight shall be such that the gross deviation in weight on such number of coins of any given denomination as amount to the value of a dollar shall not exceed that allowed on the British dollar.

4.—(1) A tender of payment of money in the Colony, if made in the standard coin or in any coins specified in the Second or Third Schedule to this Order, shall, if the coins have not been illegally dealt with, and if of silver have not become diminished in weight by wear or otherwise, so as to be of less weight than the weight in that behalf specified in the Schedules to this Order as the least current weight, be a legal tender—

(a) in the case of dollars for the payment of any amount;
(b) in the case of the other silver coins, for the payment of an amount not exceeding two dollars, but for no greater amount;
(c) in the case of coins of copper or mixed metal, for the payment of an amount not exceeding one dollar, but for no greater amount.

(2) Each coin shall be a legal tender only for the amount of its denomination.

(3) If any new coins are coined, this article shall, after the date fixed by the Governor in a proclamation made with the approval of the Commissioners of Our Treasury and a Secretary of State, setting forth in a schedule the same particulars with respect to each coin as are set forth in the Third Schedule to this Order, apply to the new coins as if the schedule to the proclamation were added to that Third Schedule.

(4) For the purposes of this Order, a coin shall be deemed to have been illegally dealt with where the coin has been impaired, diminished, or lightened otherwise than by fair wear and tear, or has been defaced by having any name, word, device, or number stamped or engraved thereon, whether the coin has or has not been thereby diminished or lightened.

5. On the commencement of this Order the Order in Council of the 21st day of October, 1890, regulating the currency of the Colony, and all other laws regulating legal tender in the Colony shall cease to be in force.

6. Nothing in this Order, nor any repealed law by this Order, shall affect any liability incurred, contract made, or other thing done before the commencement of the Order.

7. In this Order—

The expression "Governor" means the Governor of the Colony, and includes the officer for the time being administering the government of the Colony.

The expression "Secretary of State" means one of Our Principal Secretaries of State.

Words in the singular include the plural, and words in the plural include the singular.

8 This Order may be cited as the Straits Settlements (Coinage) Order, 1895.

9. This Order shall come into operation on the first day of April, one thousand eight hundred and ninety-five, or any earlier day on which it is proclaimed in the Colony by the Governor, and that day is in this Order referred to as the commencement of the Order.

LIGHT-HOUSES.

STRAITS SETTLEMENTS.

The Lights in the Settlements are twelve in number, *viz.*:—

The *Horsburgh Light-house* is built on the Pedra Branca, about 36 miles to the East of Singapore, to mark the eastern end of the Channel out of the Singapore Straits. The light is a revolving one of the first order, showing a flash every 10 seconds, and is visible from a distance of about 20 miles in clear weather. It is elevated 100 feet above the level of the sea. Latitude 1° 20′ North, Longitude 104° 24′ 30″ East.

The tower, formerly painted white, is now belted with alternate black and white bands at equal distances apart.

On the 12th October, 1903, the fixed gas light on Fort Canning, known as the *Harbour Light*, was altered to a dioptric occulting light of the first order, with one eclipse every 20 seconds, visible 17 seconds, eclipse 3 seconds, showing red from North 13° West to North 28° West over the dangers near Peak Island; white from North 28° West through West to South 84° West; red from South 84° West to South 74° West and obscure elsewhere; elevation 202 feet above H. W. with a range of 18 miles, exhibiting from a White Steel Light-House.

Raffles Light-house is placed on Coney Island, about 13 miles to the South-West of Singapore, to mark the Outer and South Channel round St. John's Island in Singapore Roads. Granite.	Royalty received on Granite from private individuals in 1904, $3,607.31.	Nil.	201 Fishing Boats and 295 Fishing Stakes were registered during the year.	It is supposed that about 20,000 tons of fish of all descriptions are taken yearly. There is no record kept of the various descriptions and quantity of each.	About $2,352,000.	There are no ships or large-sized craft employed in fishing at this Settlement. The native fishermen, who never venture far out, use only canoes and punts. The principal methods of fishing are by drag-nets, and stationary catch-nets, fastened to stakes in deep water. Fishing is carried on solely for the purpose of meeting the demand for local consumption. There is no proper season, but fish are caught throughout the year. On account of the prevalence of the North-east Monsoon, however, from November to March, the markets are less supplied and prices rule higher. From April to October all kinds of Fish are plentiful and to be bought at fair prices.

Do.	No charge fixed. Quantity produced not ascertained as the supply of granite won in all these quarries save quarries Nos. 2 and 3, at Pulau Ubin is confined to Government and the Municipality.
